nine

the musical

Book by Arthur Kopit
Music and Lyrics by Maury Yeston
Adaptation from the Italian by Mario Fratti

The spectacular winner of the 1982 Tony Award for Best Musical and 2003 Tony Award for Best Musical Revival, *Nine* is based on Fellini's classic film *8 1/2*. It tells the story of a famous Italian film director and his attempts to come up with a plot for his next film as he is pursued by hordes of beautiful women, all clamoring to be loved by him and him alone. Flashbacks reveal the substance of his life, which will become the material for his next film: a musical version of the Casanova story.

TITANIC

THE MUSICAL

Story and Book by Peter Stone
Music and Lyrics by Maury Yeston

The story of RMS Titanic has captivated the public ever since the tragic night in 1912 when the ship struck an iceberg and sank in the North Atlantic, taking over 1,500 men, women and children of every class with her. In creating the musical *Titanic*, Maury Yeston and Peter Stone adapted the historical facts into an emotional and suspenseful triumph of storytelling and stagecraft. Winner of five 1997 Tony Awards including Best Musical, *Titanic* brings the characters and events of that fateful voyage dramatically to life.
